Almost end of Term One

Where has the time gone? I realise it's a short term, but the end is so close; time has simply flown.

- ✓ Classes are settled and are working well
- ✓ Our Swimming program has been very successful for the participants
- ✓ Parents have all had the opportunity to speak with their child's teacher
- ✓ Our school nurse has seen all Prep students and some other referrals
- ✓ Training for athletics continues and will culminate this Friday at Edwardes Park
- ✓ Senior students are already selecting sports for term two's inter-school competition
- ✓ Regular assessments continue to take place
- ✓ Preps have joined in and become a happy part of our school population

Overall a good term almost at an end!

Donations can be returned to school in the Envelope provided last week and given to the children's class teacher. Donations will be accepted to the end of Term.

NATIONAL RIDE2SCHOOL DAY

FRIDAY 22ND MARCH RIDE * SCOOT * SKATE * WALK

There are many great benefits to getting more students active, beyond simply improving health!

The benefits of the Ride2School program are:

**It's good for children's health and fitness, assisting in the fight against obesity and type-two diabetes among youth.

**Promoting walking, riding, skating and scooting assists in reducing traffic congestion around schools.

**It's good for the environment.

**It's a great way to engage school communities.

Children are designed to be active. Physically active children are healthier, happier and more socially connected than children that have more sedentary lifestyles.

In recent decades, changes in Australian lifestyles have led to children getting less exercise in their normal day. In 1970, according to the Bureau of Statistics, 80% of Australian school children rode or walked to school. By contrast, today only about 20% of school children get to school by bike or foot, with the rest travelling to school in the back seat of a car.

This Friday there will be a representative from Bicycle Victoria handing out stickers at the Duffy Street Entrance to school for any students who Ride/Walk/Scoot/Skate to school.
