PRINCIPAL'S NOTES

Welcome

It was wonderful to see our students so happy to be back at school this morning; particularly exciting to see a couple of new students arrive.

There are some exciting events planned for this term as well as a number of non-negotiable tasks set by the Department.

In the next couple of weeks the year five and six students will take part in the "Attitude to School" surveys which are carried out annually. The results of these become feedback about the success of our programs. The results are also included in our annual reports.

Then of course NAPLAN testing will take place in May for year three and five students.

Our camp will go ahead so there will also be a bike education program for those students going on camp in preparation for the fun they will have riding around at Maldon.

Inter-school sport begins next week for senior students also, along with the before school training sessions to develop skills.

Cross Country training will begin as soon as possible, the Police Pipe Band is visiting and our school photos take place in May also.

That's quite a bit to fit in at this stage; I'm sure there will be more.

Northland Shopping Centre

Each year Northland runs a competition for local schools. It is basically a fundraiser for us with little effort. If you make purchases at any store in the Northland Shopping complex, you simply have to deposit your shopping receipts in the box provided for our school. Boxes are located at the entrance of Coles or Woolworths.

The competition is called "Run Around Australia" and kilometres are allocated according to the amount on each receipt; one dollar, one kilometre.

There is a major cash prize of \$10,000 to be won, but also other smaller prize packs of sporting goods for

the best performing school each week.

So, if you shop at Northlands, please look out for the drop boxes and help Reservoir Primary win.
