

PRINCIPAL'S NOTES

Cross Country

A short while ago, thirty of our students braved the winter weather to run in the district Cross Country event involving eight schools at Edwardes Park. Many students tried out for this gruelling event, and I must admit that it just isn't appropriate for some people.

However competitors in the ten year old event (and some of our students are only nine years old) ran a distance of two kilometres, and all other events ran three kilometres. I think it is really important to acknowledge their effort and willingness to join the school team.

The day was very successful for the school as Reservoir were the overall winners and received a pennant which is now displayed in our foyer.

Whether these children came first, tenth, or even twentieth, their endeavour and positive attitude is to be admired.

So well done to these students!

10 year old age group:

Charlie, Bridgette, Ysabella, Emma McL., Isobel B., Patrick, Yahya, Nawaf, Prakhar and Yusef.

11 year olds:

Maria H., Kosma, Jasmeet, Jianing, Rizki, Charlotte, Joshua I., Jack, Sina, Farouk and Sweeney.

12 year olds:

Anastasia, Abir, Selena, Besi, Cloe F., Reece, William W., Lynton and Daghash.

CONGRATULATIONS

Eight of these runners are able to compete at the Division level in June as they were placed in the top eight in their respective events:

Sweeney

Assembly

Our new time for assembly seemed to work extremely well so we hope to see you there at 2:45pm on Friday.

Helen Miller
Principal

SCHOOL PHOTOS

NEXT WEDNESDAY – 21ST OF MAY

All envelopes and money must be returned to school by **next Monday the 19th of May.**

Please make sure you have the correct money amount in the envelopes as they go straight to the photographer.

For those parents wishing to purchase a Family Photo please call at the office to collect the special Family envelope that you need. These must then be returned to the office. A Family Pack will cost \$20 which is great value. *You must complete this order form or your family photo will not be taken.*

EDUCATION WEEK

Monday 19th May - Friday 23rd May

Our school will be open on two occasions during Education Week. Your children will bring home an invitation, but you might like to put this in your diary so you can join us and you children in celebrating what we do here.

Tuesday 20th May: 2.45 - 4.15pm

All classrooms are open.

Come in and enjoy a lesson with your child, look at the work they have completed and share their experiences.

Wednesday 21st May:

OPEN SCIENCE NIGHT: 6.00 - 7.30

Come along for a fantastic experience - more information is on an attached flier.

DIARY DATES

14 th May	Ride2School Day
16 th May	Groups 5/6/8 – Shrine Excursion
	Inter-school sport V Kingsbury (Home)
	Parent Group Meeting – 2pm Library
19 th May	Education Week
21 st May	School Photos – See more details later in the Newsletter
	Science Night – <i>Flyer will be sent home this week</i>
23 rd May	Inter-school sport V Thomastown (Home)
28 th May	Museum Excursion – Groups 3/4/12
29 th May	Crazy Hair Day and BBQ
30 th May	Inter-school sport V Our Lady of the Way (Away)
2 nd June	School Council Meeting – 7:00pm
3 rd June	Ceres Excursion – Groups 9/10/11
6 th June	Inter-school sport V Reservoir East (Away)
9 th June	Queen's Birthday – Public Holiday

13th June Inter-school sport V William Ruthven (Away) but Teeball and Netball will be played at Reservoir Primary

19th June Parent / Teacher Interviews

20th June Reporting Day – Pupil Free Day

27th June Last day of Term 2

ART ROOM - WANTED

Teachers in the Art Room are in need of the following items:

- ❖ Clean foil/BBQ trays
- ❖ Magazines
- ❖ Catalogues

If you are able to help then please leave them at the office. We don't need any more meat trays though.

Thank you to all the families who have bought along donations as they are greatly appreciated.

The '**You Can Do It**' Award Was presented to **Group 8** for being organised and returning their excursion notices

BIRTHDAY GREETINGS

"Happy Birthday" to

Yusuf, Maria P., Amelia, Anastasia, Mustafa and Nawaf

who are all celebrating their birthdays this week.

PARENTS GROUP MEETING

REMINDER

If you'd like to find out more, come along to the meeting, or make contact with us. We'd love to hear from you!

Meeting details

This Friday, 16th May, School library, 2:00pm (before assembly)

Venue: School Library

Contact

- Beth Dolan (Thomas's mum) : phone 0425 836 451; email bdolan@fastmail.com.au

Come along and talk about some ideas for Term 2.

INTERSCHOOL SPORTS REPORTS

This Friday in Interschool sport we will be playing against Kingsbury Primary School. Netball and Tee-Ball will be played at Reservoir Primary School. Football and Soccer will be played at Donath Reserve.

16 th May	Reservoir v Kingsbury	Home
23 rd May	Reservoir v Thomastown	Home
30 th May	Reservoir v Our Lady of the Way	Away
6 th June	Reservoir v Reservoir East	Away
13 th June	Reservoir v William Ruthven	Away

Last Week's Results:

Football: On Friday we went to Donath Reserve to play St. Joseph The Worker in a hard and tough game of football. The first win was the toss. Joel decided to kick with the wind and we were happy. Most of St. Josephs were really skilled and fast. The first quarter was a good effort for us being a very young team and the quarter time scores were 16 and one point to us which was kicked by Joel M. We were very disappointed with the score. It was our only score for the match. The final scores were St. Joseph The Worker 10.12 (72) to .1 (1). We were happy to keep them to only 10 goals because it could have been more! At the end of the day we were outclassed and we lost.

Netball A: What a windy and fantastic day we had at St. Josephs The Worker. We played a great game of Netball. First Team A tried to beat the opposition. Unfortunately our school did not win. The final scores were 0 to 24.

Netball B: On Friday we tried really hard as you can imagine. Kosma shot an amazing goal. The score for our B team was 1-22. We didn't win on the court but we won in our hearts. What great teamwork we had!

Soccer: Friday was a great day for a beautiful game of

soccer. Our team kicked off and the game was under way. At the end of the first half the scores were 1-0 to St. Josephs. When the second half was underway the scores quickly changed to 1-1 by an amazing goal by Alessio. We soon took the lead with a great goal from Farouk. Unfortunately they levelled the scores and finally ran out winners. We lost 6-2.

Teeball: What a great game we played against St. Josephs. We won the toss and decided to field. We had very good fielding skills. During our batting we showed great skills and everyone made home runs. The final score was St. Josephs 2 and Reservoir 31. We were lucky to share our skills with St. Josephs.

RESERVOIR COLTS JUNIOR FOOTBALL CLUB CRISPE PARK, GLOUCESTER STREET RESERVOIR (Melway 18E7)

We are still seeking new players (Girls and Boys) 8 to 16 years of age. No previous playing experience necessary.

Open late Fridays until 8pm

Phone 9469 3338 or visit the website

www.crocsplaycentre.com.au

Brochures available at the office.

Hello from the Science Corner!

It seems like a long time since we last said hello from the Science Corner.

Time just seems to go so quickly. We have already completed a term of Science and are loving it! The students are familiar with working in Collaborative Learning Teams and taking on roles as Manager, Director and Speaker. Many investigations have happened and students are developing and using the rich language of Science.

This term the Year 1/2 students and the Year 5/6 students are learning about Chemical Science. How exciting, exploring the concept of CHANGE through the context of food, including things like spaghetti, popcorn and chocolate! They will be learning about how heating and cooling a food can change its properties and whether the change can be reversed or not. A very engaging unit of work.

Our Prep and Year 3 / 4 students are learning about Physical Science. Our Preps students are well into a fun and engaging unit exploring movement. They will discover that; why and how things move depends on a variety of factors, including their size and shape. The Year 3 / 4 students will investigate "Heat". Heat is important to us in many ways in our everyday lives. We use heat in practical ways such as drying our hair, cooking our dinner and warming our water. But we also know about the dangers of heat and react instinctively when we touch a hot stove or walk barefooted on hot sand.

Your children may have also shared with you stories about our new enrolments! Our Spiny Leaf Stick insects have created some excitement around the school. These delicate little creatures are easy to look after and quite safe for children to handle. They are currently residing in the Prep classrooms, however they will make an appearance around the school during our upcoming Science evening.

We are very excited about the new digital microscopes we have purchased for our students to use, safety goggles and even lab coats. We will certainly look the part!

This year during Education Week we are hosting a FAMILY SCIENCE EVENING, which we are very excited about. There will be lots of hands on, fun experiments and investigations to do and we hope to see you ALL there.

Science Evening: Wednesday 21st of May commencing at 6:00pm

Crazy Hair Day

On Thursday the 29th of May our school is having a crazy hair day! We would like everybody to come to school with crazy and weird hair styles!

Even though we will have lots of fun with our crazy hair, *Crazy Hair Day* is actually about raising money for a sad and serious illness called Cystic Fibrosis. Cystic Fibrosis is a sickness that affects the lungs and digestive system and there is no cure yet. Sadly, 1 baby born every 4 days in Australia has Cystic Fibrosis.

We would like everyone to join in the fun and help raise money to help people with Cystic Fibrosis by coming to school with wild, weird, wacky, crazy hair! It will be great if everyone brings a gold coin donation. (Bring your donation along on the day (Thursday 29th of May)

*From James Z
Year 2 Group 4*

PRESTON AND RESERVOIR ADULT COMMUNITY EDUCATION

Certificate III in Education Support (Teacher's Aide)

This qualification will give you the skills and knowledge to provide assistance and support to teachers and students in a range of educational settings. This includes early childhood education, as well as Primary, Secondary and Special schools.

Please ring to arrange pre-enrolment interview. Ph. 9462-6077

For more details ring PRACE on 9462 6077 or visit our website: www.prace.vic.edu.au

Junior School Council & Young Leaders

This week we would like you to meet the Young Leaders and Junior School Councillors from Group 3.

Hi everyone, I am **Tien**. I am 7 years old, I think I am quite funny and I have lots of friends. Three of them are Dan, Angus and Brandon.

I wanted to be a **Junior School Councillor** because my mum and dad were Junior School Councillors when they were at school and I want to be like them.

I love talking so I will enjoy presenting awards at assemblies and talking about things to different audiences.

I like tigers, my favourite food is roast, I like playing mind craft and I am **Isabella**.

As a **Young Leader** I like going to meetings with the other Young Leaders and Junior School Councillors and talking about doing things to help our school and students. I have enjoyed making posters for different events such as Crazy Hair Day and Compost Awareness Week.

Hi, I am **Alastair**. I am 7 years old but almost 8. My favourite sport is soccer and I love learning in maths.

I wanted to be a **Young Leader** or a Junior

School Councillor so that I could help other students around the school. I also like to help organise things for our school and students.

Melissa is a **Junior School Councillor** who likes to help organise different events around the school and work with other Young Leaders and Junior School Councillors.
