## PRINCIPAL'S NOTES

### School Photos

Tomorrow photographs will be taken: Whole classes, Junior School Council representatives, and music students. All students will have an individual photograph taken as well.

**If you wish your children to be photographed together, a Family Photograph must be ordered separately. Forms for these are at the office.**

### All photos are PRE-PAID!

Please insert the **correct money** as the envelopes go directly to the photographer and no change will be given.

**Photographs will not be printed unless  
You have paid in full.**

Needless to say,

**All students must be in full school uniform.**

For girls, leggings are not part of the school inform, and excess jewellery should also be left at home.

Our school photographer has produced photos of excellent quality for a number of years, and I'm confident that this year will be no different.

A high standard of dress and hairstyle is important.

### Education Week

This morning we welcomed children and parents who will be making their start to formal school next year.

They had a great time mixing with some of our current Prep students in the investigations area, and then making an elephant to take home.

### Tomorrow Night - Wednesday

Our Open Family Maths evening will take place between **6.00pm and 7.30pm**. All classrooms will be set up so the students can "teach" their parents how we approach Maths at school. Lucky door prizes will be an exciting addition to the evening.

Hope to see as many families as possible.

### Playground additions

You may have seen our new additions recently; our climbing frame remains very popular, but the completion of ground markings has added to the variety of activities that can keep students happily occupied during their time

outside. Ask your children about the draughts, chess, snakes and ladders, targets, aeroplane hopscotch, a number snake, four-square, activity trail and even the map of Australia and a compass.

Having these game props shows children that there are many ways to enjoy playing together; learning skills of the games as well as developing the necessary social behaviours.

## INTERSCHOOL SPORTS REPORTS

There is no Interschool Sport for the next two Fridays. Our next game is against Reservoir Views and is a home game.

**PLEASE NOTE: There will be no sports training before school next week due to camp week.**

When we play an "away" game, all teams travel, and all students need to bring \$5.00 for the bus. When we play a "home" game, netball and Tee-ball play at school. Soccer teams travel to Donath Reserve each week, but no payment is required for "home" games.

14 <sup>th</sup> June	Reservoir v William Ruthven	Away

### Last Week's Results:

**Netball A:** On Friday we played a fantastic game against Thomastown. We won the toss and chose the way that the sun wasn't bothering us. In the first quarter Sheree, Mirna, Alisa and Noura were fierce. They ran like cheetahs chasing the ball. We managed to score 1-1. In the second quarter Noura swapped with Ataria. Ataria was just like another Noura, both great centres. It was 3-2. In the third quarter Emily and Jenny worked great as a team. We scored 2-1. In the last quarter Nia blocked all the goals, giving us an advantage. It was 2-0. Overall it was 8-4. We won and we're proud.

**Netball B:** Friday was a cold day to play netball against Thomastown. We won the toss and decided to pick our goals. In the first quarter Sharon shot one goal, we were in the lead. Thomastown shot 0. In the second quarter Abir and Selena tried really hard to snatch the ball off their

opponent. Stephanie and Lia helped each other to get the ball to the goal. In the third quarter Yasamin and Sharon swapped and she got two goals giving us four goals altogether. Haifa's opponent kept on stealing the ball off her but Haifa overcame her opponent and stole the ball back. Elly stopped many goals and that helped us heaps. Thomastown shot two goals. In the fourth quarter we shot 0 and Thomastown shot 2. In the end it was Reservoir 4 and Thomastown 4. It was a tie and we had an awesome game.

**T-Ball:** Friday was the best game we have ever had! At the start we were nervous, however all went well. Our skills continued from last week with excellent fielding, batting and running to bases. Everyone played well with lots of team work and good sportsmanship. The scores were Reservoir 26 to Thomastown 4, we won. We'd like to thank Annabelle who has scored every week perfectly. We also had a fun, exciting and friendly game.

**Soccer:** Do you think our soccer team won on Friday? Well guess what, I'll let you know at the end of the report. Once again it was another challenging game for us. We were up against Thomastown, who have usually been a tough side. We had a great defence in the first half but Thomastown still managed to get 3 goals past our goal keeper. Our goal keeper in the first half did an amazing job of saving a lot more goals. In the second half we decided to try a plan of diversion and it worked. We gave it our all but unfortunately Thomastown still snuck in a few more goals. Near the end of the game we had two great opportunities to score but unfortunately the ball just missed its way into the goals. As Declan was captain he congratulated Thomastown on their efforts. As you probably guessed by now, the answer to the question, no we didn't win today but it was our best game yet as we all played so well. The final scores were 7-0 and we look forward to a small break before our next game in a couple of weeks.

## WOOLWORTHS EARN AND LEARN

Woolworths "earn and learn" is back again. Last year we were able to order some wonderful resources through this program.

It is easy. When shopping at Woolworths collect the stickers, attach the sticker to the sheets (available from the store) and place the completed sheet in the box outside Mrs Franzone's office.

### *Performing Arts*

Puss in Boots is a well-known fairy tale about a clever cat and his master. The cat uses his ingenuity to arrange a 'chance' meeting between the King and the princess and the young man. He fools the King and Princess to believe that his master is a wealthy man. After some trickery involving a giant (ogre) the cat has the King convinced that his master is a perfect match for his daughter and they are married.

The students from Groups 3 and 5 would like to share some photos that involve them talking and responding to the dramatic storytelling of 'Puss in Boots'. They took on character roles such as the King, miller (youngest son), cat, princess, guard and giant while

creating a story with other members of the class.
