

RESERVOIR PRIMARY SCHOOL

NEWSLETTER No. 15

September 19th 2018

Well we're almost there – the end of another term. I can't believe how time has just flown by. Seems like only yesterday that we were planning the start of the year!

We look forward to a busy fourth term, with that final time for our senior students before they head off to secondary schools. It's also the time we make plans for our new Prep students for 2019; holding three transition visits for them so they become familiar with the school environment.

Petition

As you would be aware, we have outgrown our multi-purpose room. We are desperate to build another, larger one and it has been suggested that a petition would help this process along. So you may be approached by staff members to add your signature to this petition.... please do so, as we need as much community support for this as possible.

If all parents signed, we would certainly have enough to convince the people who make the decisions..... and yes, both parents can sign.

We are all looking forward to our **Book Character Parade** tomorrow morning. As we are holding it outside, I urge your children to have a warm jacket or coat to wear over their costume. They will need it when they are waiting for their turn to "parade".

Hats

Next term all students must have hats. The holiday period is a good time to find your hats and make sure they're ready to bring back to school on the first day of term. Students will not be able to participate in outdoor activities without them.

Water Bottles

With inter-school sport starting next term, water bottles are also essential. No water bottle, no sport unfortunately. In particular, those who play sport at Donath Reserve have no access to taps there, so they must leave school with their bottles full.

Both hats and water bottles are available at the office any time.

Have a great break – whether you travel or stay at home "catching up and resting", I look forward to seeing you all happy and healthy for the final term.

Helen Miller
Principal

BOOK WEEK

The 2018 Book Week theme invites you to 'Find your treasure'.

Treasure is usually thought of as an object or objects of great value or worth, often lost until rediscovered. The quest for treasure has long been a staple of popular entertainment and lends itself well to tales of adventure told on a grand scale.

Your treasure is more likely to be something as simple as a book that held meaning for you as a child and resonates to this day.

To find your treasure- implies a personal treasure- 'your' treasure- the books we treasured as children often remain treasures to us as adults. Their words and the stories they told; the characters and events described, transported us from our accustomed reality to a place of imagination, of possibility. Well written prose has transformative power upon our imaginations.

Different books will have resonated with each of us in different ways, providing entertainment as they lit the way for us, answering our questions, clarifying the world around us and accompanying the milestones of our growing up. The books of our childhood are often the first time we are exposed the world outside our immediate environment and very often the first time analogy and metaphor help us to understand abstract concepts and unravel some of the mysteries encountered as we traverse our early years.

Walt Disney once said "There is more treasure in books than in all the pirates' loot on Treasure Island..."

Book Week is celebrated this week at Reservoir Primary. This annual event highlights the importance of reading and draws on the joy of stories and the creativity of authors and illustrators. Book Week is about encouraging students to read; to learn about new books; to share favourite writers and illustrators; to look again at old favourite books in maybe a different way; take time to read a story together or be alone and just read.

We hope you take the time to share your child's experiences about this week and together perhaps share a 'treasure' of your own.

Love books!

2018 Book Week Committee.
