PRINCIPAL’S NOTES

It’s Winter
After the rain we received on Friday night, we are left in little doubt. It’s officially Winter. It can be a time when many children are vulnerable to colds, sniffles and other infections. Keeping warm, eating well and dressing sensibly go a long way to helping. Children should be warm when outside; there’s nothing wrong with running around in the great outdoors (as long as it’s not wet). Suitable clothing should be worn both inside and outside. Many students have told me that their mum said not to take off their coat (which happens to be over the top of a singlet, skivvy, windcheater and bomber jacket! Whilst that may be a good thing outside, our school rooms are well heated, they are always at a very pleasant temperature. It is really important that children have a normal layer of clothing for inside the classes and then something warmer to put on when they venture out.

If your child does catch a nasty cold or is unwell, they really are better off staying at home; we don’t want to share the illness nor do we want them being miserable at school. Bringing a pack or box of tissues if you know your child has a slight sniffle is also a considerate thing to do.

Camp
I’m sure you have heard about the camp, very successful and lots of fun. Forty-five students may have been missed at home, but I’m sure were greeted happily on Friday afternoon.

I would like to draw your attention to the great job our seven staff members did over those four days. Camp really is a 24 hour shift! Teachers are on the go all the time; planning, caring, supervising, riding, assisting and generally making sure all children are having a terrific time. So a huge thank you Chris Franzone, Elizabeth Bogdanovski, Connie Williams, Tammy Angelevski, Miriam Elsheikhi, John Briggs and Desi Evangelakos (pre-service teacher from Melbourne Uni). I know parents share their gratitude.

Reporting
You will have noticed; Friday 21st June is our Reporting Day. This day is a pupil-free day – no classes will operate.

The June reporting is a time when students should be an active part of the interviews, to discuss with and provide feedback to their parents. Interviews will be scheduled on the afternoon and evening of the Thursday 20th, and again during the day on Friday 21st June.

Preference times for these interviews will be distributed this week, so keep a look out for them in your child’s bag. The earlier they are returned, the better chance of getting your first or second choice.

The written reports shall be distributed earlier that week, to give you a chance to read and digest the information. That way you can come prepared to ask questions and find out more about your child’s progress and achievements.

Helen Miller

---

When we play an “away” game, all teams travel, and all students need to bring $5.00 for the bus. When we play a “home” game, netball and Tee-ball play at school. Soccer teams travel to Donath Reserve each week, but no payment is required for “home” games.

**STORIES FROM GROUP 3**

One dark, stormy night John, Rory, Simon, Emma, Lazy, Dad and Mum decided to go on an adventure to Lightning Planet. They went in their rocket and when they were landing they saw an alien. One alien shot his lightning at them and they ran away. They flew out of Lightning Planet and went back to Earth.  
*Duresso*

One day I flew in a rocket and I saw an alien and the moon. I saw the sun.  
*Elaf*

One dark night I went to the moon and I saw an alien. I saw the sun. Mum and Dad saw the starts and I went home.  
*Jacob*

One day my friend Kloe and I were ready to get in the rocket ship. Kloe accidentally pressed the green button and the rocket started to wobble. We saw some stars and we saw an alien. We were scared and we got out of the rocket ship.  
*Leonna*

One hot night Dad, Tien, Yahya and I went to our garden. We found a rocket and we blasted off! We saw a dark moon and a hot sun and I saw some shiny stars. We all jumped in a black hole and it kicked us all out and then it laughed at us. When it laughed we felt angry so we all ran away.  
*James*

**Gellibrand Crescent Kindergarten**

Gellibrand Crescent Kindergarten is currently taking enrolments for three and four year old kindergarten for 2014. Please contact the centre for a tour, and speak to staff. Phone 9460 5862.

---

**BIRTHDAY GREETINGS**

“Happy Birthday” to  
Stephanie Ps., Yarsha and Tushar  
who are all celebrating their birthdays this week.

---

**WOOLWORTHS EARN AND LEARN**

Woolworths “earn and learn” is back again. Last year we were able to order some wonderful resources through this program.  
It is easy. When shopping at Woolworths collect the stickers, attach the sticker to the sheets (available from the store) and place the completed sheet in the box outside Mrs Franzone’s office.
One night Astronaut Sam and I flew in a rocket. I saw stars, the moon and the sun. I landed on food planet and I ate lots of food. It was yummy!

**Angus**

One day I flew in a rocket and I saw clouds and stars. I saw some other rockets.

**Nawaf**

One sunny afternoon John, Mum and Dad were building a glittery, strong rocket with Dad’s strong materials. They got in and Dad pressed the little red button and …… blast off!! They used the GPS to get to the jelly planet. They saw giant, colourful planets, silver stars and a black sky. They landed on the jelly planet and bought some jelly from the jelly shopkeeper. When they were going home they crashed and landed on an enormous asteroid. They couldn’t steer so the rocket crashed into Earth. They got out and asked a fixer who was close by “Can you help us fix our rocket?” He said, “Yes” and they lived happily ever after.

**Simon**

Once upon a time my brother and I were at home. Then I said to my brother, “Let’s go to the backyard”. We couldn’t believe our eyes because we saw a rocket and we decided to go to lolly planet. We went up to the rocket and my brother and I got in. There were lots of buttons and then my brother pressed the big red button. Then we blasted off very, very, very fast! We saw 1,000 stars in space and we landed on the lolly planet. The lolly planet was yellow and everything was yellow. We walked on the lolly planet and suddenly it shook. It was an earthquake but we were lucky because we jumped on the rocket and we started it as fast as we could. We went home.

**Yahya**

One beautiful morning Sarah and I wanted to ride in the big, sparkling rocket and we went inside. We pressed the red button and we flew. I pressed the green button and we crashed onto a planet. We saw an alien and he fixed the rocket. We flew away.

**Alvitha**

One sunny day Tien, Alvitha and Trinity went into their backyard. There was a big, shiny, red rocket. They went in the rocket and there were lots of seats and windows. Tien wanted to drive the rocket so they let him. Alvitha and Trinity sat at the back. Then they blasted off to space. They saw lots and lots of stars! Then they landed on a big, huge, shiny moon. They parked the rocket and got out. Then an alien came. The alien said, “I'm going to get in your rocket”, and Tien said, “No, you can't”. The alien said, “Yes, I can”, and he ran to the rocket and got in. The alien saw lots and lots of buttons and he pressed the red button and then he got out. The rocket blasted off and they were on the moon. Then Alvitha said, “Do you want to be my friend?” and the alien said, “Yes”. The alien said, “Do you want to borrow my spaceship?” They all said, “Yes”. Then they went home.

**Sarah**

One dark, spooky night I decided to have a ride in my shiny, sparkly rocket. So I got into my rocket and flew out of Earth. I looked out of the window and I saw lots of interesting planets. There was a glittering planet and a shiny planet but most of all I liked the cake planet. On the cake planet everything was made out of cake and I met an alien. I went to my rocket but it wasn't there. Then a space animal and a space dog came and helped me to invent something. It was a remote control and I used it to call my friends and they rescued me.

**Yashfee**

One sunny day Bella saw a colourful rocket. Then Bella opened the door and she saw one red, sparkly flower and she saw a blue shiny flower. Bella pushed the blue shiny flower and the colourful rocket floated away. On her way she saw a green alien. Then the green alien broke Bella’s colourful rocket. Bella fixed the rocket and she went in the rocket. Then Bella went home with a smiley face.

**Yasmin**

One day I was bored so I went in my rocket and I went to Lollypop World. When I got there I saw an alien and it was sucking up all of the lollipops. Then I put the lollipops back to normal. Then I scared the aliens away. Then I went home.

**Ellen**

One shiny day Bella saw a colourful rocket. Then Bella opened the door and she saw one red, sparkly flower and she saw a blue shiny flower. Bella pushed the blue shiny flower and the colourful rocket floated away. On her way she saw a green alien. Then the green alien broke Bella’s colourful rocket. Bella fixed the rocket and she went in the rocket. Then Bella went home with a smiley face.

**Yasmin**

One sunny day Tien, Alvitha and Trinity went into their backyard. There was a big, shiny, red rocket. They went in the rocket and there were lots of seats and windows. Tien wanted to drive the rocket so they let him. Alvitha and Trinity sat at the back. Then they blasted off to space. They saw lots and lots of stars! Then they landed on a big, huge, shiny moon. They parked the rocket and got out. Then an alien came. The alien said, “I’m going to get in your rocket”, and Tien said, “No, you can’t”. The alien said, “Yes, I can”, and he ran to the rocket and got in. The alien saw lots and lots of buttons and he pressed the red button and then he got out. The rocket blasted off and they were on the moon. Then Alvitha said, “Do you want to be my friend?” and the alien said, “Yes”. The alien said, “Do you want to borrow my spaceship?” They all said, “Yes”. Then they went home.

**Trinity**
One day Kael and I saw a rocket going past my window. Kael and I went outside to see what went past and it was so shiny. We went inside the rocket. Kael pressed the red, big button. We saw a black hole and the black hole made us go inside. It sucked us in. A big star pulled our rocket out and then Kael and I went home.

Carlos

Once upon a time, not very long ago, Daniel, my robot 5251, a fluffy hair guard and I went into our backyard and there was a huge, shiny, brand new rocket. Daniel decided to be the captain and we all climbed into the rocket. When we got in I turned on the blue button which means go. Oops! We saw shiny stars, planets and black space. It was cool that we had our own rocket! We were talking about adventures we would have until .... the black hole was sucking us in! We went into a room but it was an escape pod and a boxing glove punched the pod but we were safe. We flew to a grassy land. Crash!!! Oh no, 5251 broke down. We saw an old viney house in a waterfall. The door was stuck with glue so no-one could get in. We broke the door and we saw a human stingray. He said, “You are under arrest”. “No”, I said. “Err”, said the fluffy guard. Everyone made a decision that we should make a rocket with a turbo booster that was half ours and half the human stingrays. He wanted to have a rocket as well because he had crashed into an asteroid. We made a rocket and we went into the pod and came home. We had so much fun on our scary, crashing adventure!

Dominic

One very freaky night Tien and I went in our shiny rocket. Tien forgot we already used the first escape pod. So we just blasted off to the Special Cave. We took samples of one stone. Suddenly Tien hit the cell of destruction. Then just before the rocket exploded we went into the second escape pod.

Benjamin

On Tuesday I went to Camp Maldon. First we went in the bus for two hours, it was boring! When we arrived at the camp we had lunch. After that we walked around the BMX track. Next we met a policeman and his name was Rick Boyd. Then we went to the dining room to find out what unit we were in for the rest of the camp. Then I had to get my bike. Kate gave my bike a number. My number was 289. Camp was fun!

Leila

On Tuesday I went to Camp Maldon. We arrived there at 12:14pm. We went to the ice-cream shop and I got a white choc mint ice-cream. Then I went to the lolly shop and I got 16 lollies. We got $2.00 to spend, everything was really cheap there! Then it was Friday and I had to do duty group, I didn’t like it.

Edward

On Tuesday last week I went to camp. Joshua and lots of other people came too. The camp was called Maldon Blue Light Youth Camp. The bus ride was very long, too long. When we got there we got our bikes and did a practice ride around the camp. Then we found our rooms. I was with Lynton, Dylan and Reece. We did lots of great activities throughout the week. For example going to the Fire Station, lolly shop, ice-cream shop and up a big mountain and then came down it. The mountain was very bumpy. I really liked Camp Maldon, it was really fun.

Sweeney
On Tuesday it was camp and I was so excited. When I went to school I saw my friends. On the bus I sat next to Chloe. We stopped at a park to have our play lunch and the park was awesome. When we arrived at Maldon we saw another school about to leave so we had to eat our lunch outside the camp. When we finished our lunch we went around the camp. After that we found out what room we were in and I was with all my friends and Mrs Angelevski. On Wednesday we went riding and my bike number was 303. On Thursday we went to the lolly shop and the ice-cream shop. I had mango ice-cream!! On Thursday we had a disco and it was fun. On Friday we had a game called catch and drop. If the policeman said, “Drop” you had to catch the ball and if he said, “Catch” you had to drop the ball. After that we played Pictionary, we went on the bus and went back to school.

Evangeline
One day I was flying in space. I saw stars and the moon. Just then I got pulled into Bunny World. The planet had ears. When I landed on Bunny World it was squishy. I saw Simon the King of the Bunnies. Simon said, "Help the Bunnies from the monster". The monster eats three bunnies everyday. Then we heard a monster that said, It's time to make the stealing bunny machine now. I can get all the Bunnies I need. Then I messed up the cords and then the monster flew back to its planet.

Tien

This year when I found out that I was voted as my class Junior School Councillor I was really excited because ever since Year 4 when I came to Reservoir Primary I really wanted to become a Junior School Councillor. To be in the Junior School Council with Noah from Group 9 makes me feel awesome because I get to read the awards in front of everybody in Assembly and I get to plan future events. As a Junior School Council member you get a special shiny badge. This badge makes you feel special which is why I wear it everyday to school! Being a Junior School Councillor make you feel proud and happy, especially when your class chooses you.

Haifa

I feel so proud that I am a Junior School Councillor because I’ve never been one before and it’s something that is a dream for a lot of students at this school. I am loving it so far! I can’t describe how good it is, I mean it and you get a badge which shows a lot of responsibility and highlights how much of a role model I am for the younger students. So I would like to say ‘well done’ to people that have been one, who are one and the students that will be a JSC member. If you want to know my name is Noah.

Noah
Subway lunches are on FRIDAYS ONLY - orders are collected on THURSDAY at 9.00am

Place money and order in an envelope or bag marked clearly with child’s name and Group and give to the classroom teacher. Separate orders are required for each child. Correct money is required, no change will be given.

Please note that Subway do not put butter on their rolls.

** PLEASE MAKE SURE YOU CIRCLE WHICH NUMBER YOU WISH TO ORDER – YOU ALSO NEED TO CIRCLE WHAT SALAD ITEMS YOU WOULD LIKE
