PRINCIPAL'S NOTES

Special Assembly

Yesterday, a special assembly was held to acknowledge our Young Leaders and Junior School Councillors, and to present them with their badges.

It is both a great privilege and an honour to be selected to represent classmates at regular meetings, and assist them all to become active members of the school community.

Congratulations to them all!

Parent Teacher Interviews

On Thursday afternoon and Friday morning we are looking forward to discussing with you and your children their achievements and academic outcomes for the first half of the year.

Fifteen minutes have been allowed for every child; please make sure you do attend – and at the correct time.

Specialist teachers who are present on those days will be available too.

Reports shall be distributed before the interviews, so you have a chance to read through them and come prepared for the discussions.

Helen Miller
Principal

INTERSCHOOL SPORTS REPORTS

Interschool sport is now finished for Term 2.

Last week's results were:

Teeball: In Teeball we won the toss and decided to field. The game began and Besi caught a fantastic "out". Everyone played really well and we scored a massive amount of home runs. We really improved our batting and fielding skills this season. The final scores were William Ruthven 14 and Reservoir 34. The whole team would like to thank Mrs Boots for coaching the Teeball team.

Soccer: It was a windy and sunny day for a game of soccer against William Ruthven Primary School. We won the toss and decided to choose sides. They kicked off first and before long Alessio scored our first goal and then Sweeney got the second goal after two minutes. Then Nihad and Farouk scored. After half time the game really got interesting with the other school scoring two goals but that didn't stop us from scoring four goals from Alessio and Joshua. We won 7-2.

Netball A: Friday was a very windy and cold day to play netball against William Ruthven. Team A was first and we lost the toss so William Ruthven decided to start off. They were really tough. It was a tough game but Thamilini and Ying came to the rescue. Thamilini scored 4 goals and Ying scored 1. Overall the scores were Reservoir 5 and William Ruthven 25. We had a great game even though we lost. All the netball players would like to thank Miss Elsheikhi for coaching us and making it a fun and exciting game.

Netball B: Netball B team played against William Ruthven but unfortunately we lost again (just like Team A)! The scores were 0 to 16.

Football: William Ruthven won the toss and decided to go with the wind. They kicked 3 goals in the first quarter and 3 points. We were surprised how good they were and kicked another four goals. Then Joel kicked an amazing goal from about 20 metres out. In the third quarter William Ruthven kicked a few more goals and then Jack got a great goal. As this is our last game of the season we would like to thank everyone who has played and especially the grade 6's. The scores were William Ruthven 16 goals 10 points to Reservoir Primary School 2 goals and 2 points.

Football report from the 6th of June 2014.

What a great day to play a game of football against Reservoir East. We lost the toss and they decided to shoot away from the sun. It was a difficult first quarter as they kept shooting goals. We had fantastic center players and defence. Second quarter we were shooting away from the sun so had an advantage. They were shooting goals rapidly. Third quarter we tried our best. As Joel kept kicking the ball away from the goals and Declan doing the same in defence but they still broke through our defence. In the fourth quarter we gathered our left over energy and gave it everything we had. The final scores were Reservoir East 11.13 (79) and Reservoir 0.0. I would like to thank Portbury and my whole team. We lost but we had a great game. Declan was the captain.
